THANK YOU FOR A GREAT SUMMER

Dear Camp Families,

Thank you for an amazing summer in 2026! We have truly loved spending the summer with each one of the campers and staff and are so proud of all that they've accomplished and learned. The Banner Community is one-of-a-kind. Over the course of eight weeks, the campers and staff have bonded, created new friendships, strengthened old connections and had a ball together!

The activities at camp have challenged the campers to step out of their comfort zones and in turn, learn new skills and grow. We loved watching each camper meet their goals and develop greater self-confidence. We spent the summer focusing on collaboration, communication, problem solving, creativity, empathy, and resiliency. The sky is the limit for each of these children and we can't wait to see them again next June and hear all about their many successes during the school year.

All our best,
Stacy, Howard & The Banner Team

AQUATICS

did you **KNOW?**

Swimming is at the very center of a Banner summer. Banner's four heated pools have been built to accommodate swimmers of every age and skill level. Ranging in depths, and heated up to a warm, comfortable temperature, campers enjoy swimming at least once every day. Campers also visit our junior and senior lakes for even more water fun!
